PART B: Project Information

The option to consider student ideas and/or opt for a less detailed supervisor project description is also available. If this pertains to your project/situation, please indicate below in the space provided

+

Project Title (this can be modified later, but we would like to have a working title from the start):	
History of Psychiatric Diagnosis over the last Two Centuries	
Provide background information on the project (max 500 words):	
The background is the general dissatisfaction with DSM. Can the record of the past help us do any better?	
Student's roles and responsibilities in bullet form (please be as specific as possible):	
<ul style="list-style-type: none"> Carving off a small area of this large subject and writing an independent research paper 	
Is this project for a specific student, or will you interview and select an interested student who would contact you directly for this opportunity? <i>Note: All supervisor/student applications will be adjudicated by a panel of faculty, given a score, and ranked based on the score given. Funding will be based on ranking.</i>	<input type="checkbox"/> For a specific student. Name of student: _____ <input type="checkbox"/> For whichever student is chosen after interview For whichever student is chosen
If human subjects are involved, has Ethics been obtained? <i>Note: Written proof or an email indicating protocol approval may be requested prior to the student's arrival at on-site location</i>	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> N/A. No human subjects involved
