

## ACADEMIC CURRICULUM VITAE (CV) INSTRUCTIONS

All **MD/PhD applicants (undergraduate and graduate)** must submit an academic CV as part of your OMSAS application.

**Applications to the MD/PhD Program will be considered incomplete without the submission of your CV.** The SAM tool can take two business days to be activated after your initial MD application submission. The deadline for receiving the academic CV is **October 6, 2020**.

---

### CV Format

- Use the headings provided below to prepare your CV.
  - If a heading is not applicable to your experience, please do not use it.
  - Do not substitute or add headings of your own. If you do so, they will not be evaluated.
  - Under each heading, list activities/events/items in a chronological order.
  - **Please do not include non-academic and/or extracurricular activities.** The CV is used to assess your research experience only.
- 

..
