MD PROGRAM 2019-20 OSAP / GOVERNMENT STUDENT AID TUITION FEE DEFERRALS

Tuition Payment / Deferral Deadline: Monday, August 26, 2019

To qualify for a Fee Deferral, a student must:

1. Apply for OSAP (or other Canadian government-funded student aid program); and,
2. Be receiving, or expect to receive, funding greater than \$0.

Students who do not have proof that they will be receiving funding (e.g., a funding estimate or Notice of Assessment) are not eligible for an OSAP/Government Student Aid tuition fee deferral.

1. Online Fee Deferrals

Students are strongly encouraged to use the online OSAP/Government Student Aid Fee Deferral tool available through ACORN. Normally the OSAP tuition fee program for the fall is activated for student access in July when the fees invoices are available. To receive a tuition deferral online, complete the following steps:

If using ACORN, students should:

1. Log into ACORN using your UTORID
2. Go to the "Tuition Fee Deferral" section, under the "Finances" menu
3. Click "OSAP/Govt/Grad Deferral" button

Students will know immediately if their deferral request is successful.

Students expecting government student loan funding who are unable to access the ACORN electronic fee deferral should request a manual fee deferral from medicine.financeawards@utoronto.ca.

Note About Out of Province Students: Out-of-province students must submit, fax or email a copy of their provincial Notice of Assessment to Enrolment Services so that their online fee deferral access can be activated. The student should write their UofT Student Number on their Notice of Assessment. It takes Enrolment Services three (3) business days to upload the Notice of Assessment information into ACORN/SWS so that these students can use the online fee deferral. To initiate the process, forward documentation to:

Address: Enrolment Services, University of Toronto 172 St. George Street, Toronto, ON M5R 0A3
Fax: 416-978-7022 E-mail: can.oop.financialaid@utoronto.ca.

If you have received a NIL OSAP assessment but you are appealing the funding decision (e.g., due to family breakdown, parental income verification), please contact medicine.financeawards@utoronto.ca for assistance.
